

User Data Deletion Policy

To request deletion of all your user data, you must follow the steps below:

1. Send an email to admin@toricentlabs.com with the following required information:

- Your username
- Your password
- Your organization ID

2. Confirm your data deletion request by calling 907-346-0123.

Once both the email and phone confirmation are received, your data will be scheduled for permanent deletion.

Your data will be completely removed from our company systems within 30 days.

After 30 days, you may call 907-346-0123 to confirm the completion of your data deletion.

Thank you for your attention to this process.
